Erasmus + Project : 2014-1-ES01-KA101-002752

**ACTIVITY TITLE:** WHAT'S THIS?

**AIM OF THE ACTIVITY:** Revise, improve and boost vocabulary

**ESTIMATED DURATION:** 20 minutes activity

**MATERIALS NEEDED:** Different pictures related to the vocabulary you want to work with. Photocopies for the students or pictures if you are able to project them.

**ATTACHED DOCUMENTS:** Sample sheet with pics.

**SUGGESTED LEVEL:** Depending on the pictures you choose it's easily adaptable and versatile to different levels

## PROCEDURE

Divide the class in pairs.

- 1.- Give each pair a piece of paper with the pictures on it or project them all together.
- 2.- Ask the students to think, individually a word that matches each picture in 5 minutes aprox.
- 3.- Tell them to compare their words with their partner's words
- 4.- Discuss if there is any difference and try to reach an agreement.
- 5.- Go through all the pictures saying the correct answer for each one. Cheer your students to find synonyms if there are multiple correct answers. documentary on again in the exactly minute in order that students can try to find the answer.
